

Made in Eugene, Oregon

Rock Phosphate

also known as colloidal phosphate, is a natural, untreated source of phosphorus and calcium. It is essential for building soil phosphate levels for long-term plant productivity and for preventing calcium deficient soils. It should be applied to soils prior to planting and can be mixed with compost or manures for additional soil building benefits. Rock Phosphate is an excellent nutrient resource for all types of flowering plants including bulbs, fruits, shrubs, trees and vegetables.

GUARANTEED ANALYSIS

AVAILABLE PHOSPHATE (P₂O₅) 3.0% Listed by the Organic Materials Review Institute (OMRI) for use in organic production.
 CALCIUM (Ca) 18.0%
 Derived from: Soft Rock Phosphate F002174

APPLICATION RATES

| | | | |
|-------------------------|-------------------|----------------|------------------|
| Approximate Conversions | 1 1/2 cups ≈ 1 lb | 1/4 cup ≈ 3 oz | 1 Tbsp ≈ 0.75 oz |
|-------------------------|-------------------|----------------|------------------|

Bulbs:
 Add 1 Tbsp per hole for average size bulbs, more for larger varieties. Mix thoroughly into soil and water in well.

Containers:
 For new plantings, add 1/4 cup per gallon of soil and mix thoroughly OR add 5-10 lbs per cubic yard. To feed established plants, lightly mix 1 Tbsp per gallon of soil into the soil surface every other month during the growing season.

Trees & Shrubs:
 Spread 1 lb per 1" of trunk diameter around the base outwards to the drip line, mix into soil surface and water in well. For new trees, prepare transplant hole and mix 1-2 cups with the backfill soil. Use amended soil to fill in around new tree and water in well.

Vegetable Gardens & Flower Beds:
 To prepare new gardens, apply 2.5-5 lbs per 100 square feet and thoroughly mix into the top 3" of garden soil. For new transplants, add 1/4 cup per hole, mix into soil and water in well. To feed established plants, side dress 1/4-1/2 cup in fall or early spring to promote fruiting and flowering during the growing season.

USE OF A DUST MASK IS RECOMMENDED
