AZOMITE

is a natural mineral product mined in central Utah. This unique deposit was formed when an ancient volcano erupted and its ash settled into a prehistoric seabed creating a complex mineral composition. AZOMITE provides essential minerals key to green growth and proper stem and fruit development. This powder grade is ideal for direct application or for blending with other fertilizer materials, amendments, composts or manures to help meet plant nutritional needs.

GUARANTEED ANALYSIS

SOLUBLE POTASH (K ₂ O)	0.2%	Derived from: Volcanic Ash
CALCIUM (Ca)	1.8%	Listed by the Organic Materials Review Institute (OMRI) for use in organic production.
MAGNESIUM (Mg)	0.5%	
0.001% Water Soluble Magnesium		F002174
SODIUM (Na)	0.1%	

APPLICATION RATES

Approximate Conversions: 1 1/2 cups = 1 lb 1/4 cup = 2.5 oz 1 Tbsp = 0.5 oz

Vegetable Gardens & Flower Beds:

To prepare new gardens, apply 1-2 lbs per 10 square feet and thoroughly mix into the top 3" of soil in spring or fall.

For new transplants, add 1-2 tsp per hole, mix into soil and water in well.

Compost:

When adding to finished compost, add 1 1/2 Tbsp per gallon of compost and mix thoroughly. Allow to rest for 1-2 weeks before application to plants, soil, or containers.

For larger projects, add 10 lbs per yard of finished compost.

For new compost piles, thoroughly incorporate 10 lbs of AZOMITE per yard of fresh (uncomposted) material.

Containers:

For new plantings, add 1-2 Tbsp per gallon of soil and mix thoroughly OR add 1/2-1 lb per cubic yard.

For established plants, lightly mix 1-2 tsp per gallon of soil into the soil surface every other month during the growing season.

Trees, Shrubs & Vines:

Spread 1 lb per 2" of trunk diameter around the base outwards to the drip line, mix into soil surface and water in well.

For grapes, apply 1/2-1 lb around each plant and thoroughly mix into soil.

For new trees, prepare transplant hole and mix 4-8 oz with the backfill soil. Use the amended soil to fill in around the new tree and water in well.

USE OF A DUST MASK IS RECOMMENDED

PLEASE STORE AWAY FROM PETS
